SORIN-LUCIAN GHIEA

EDUCATION

1996-2002

"Transilvania University" - Brasov, Faculty of General Medicine

- MD graduation thesis (2002): *Clinical and evolutive correlations between vesicoureteral reflux and reflux nephropaty*

1991-1996

Student at Information Technology High School Brasov, entrance examination rank first

- Attendance Certificate for PC operator, software developer and analyst

PROFESSIONAL ACTIVITY

2010 – present time

- Specialist Radiologist **– SignaPlus**, Bucuresti (Private Imaging and Reaserch Facility of 3.0 Tesla Magnetic Resonance Imaging - Excelence Imaging Center in collaboration with GE)
- Specialist Radiologist – **DeltaPro Medical,** Bucuresti

2005 – 2010

- Resident trainee in Radiology at **The Clinical Institute Fundeni**, Bucharest

5 years of training in radiology

- September – December 2009 – 3 month scholarship offered by European Society of Radiology, Visiting Programme, in *Musculoskeletal Imaging*, at **Royal London Hospital**, United Kingdom

2002-2004

Assistant teacher at Medical College, Phisiology Department, Brasov

2003-2004

Internship, Brasov District Hospital

SCIENTIFIC ACTIVITY – PRESENTATIONS

2010

Two hours course held for sport medicine doctors from Romanian National Institute of Sport Medicine

- *Imaging aspects of muscle pathology in sport medicine*

National Conference Of Cross - Sectional Imaging, Bran, June 3-5

- *Whole Body MRI 3T imaging – our experience*

2009

National Conference of Musculoskeletal Imaging, Timisoara, November 6-8

- *Up-to-date imaging approach in schoulder pathology*

Second National Magnetic Rezonance Imaging, Sibiu, September 23-25

- *Accesory navicular – cause of foot pain – case presentation*

European Congress Of Radiology, Vienna, 6-11 March

- *Pitfalls in CT and MRI differential diagnosis of focal liver masses with central scar (educational electronic poster)*

2008

National Conference Of Cross - Sectional Imaging, Tg. Jiu, May 22-24

- *Solitary Fibrous Tumor Of Liver – imaging aspect, positive and differential diagnosis*

National Conference Of Musculoskeletal Imaging, First Edition, Timisoara, November 7-8

- *Tarsal bone condropathy – our experience,* second author

2007

National Conference Of Cross - Sectional Imaging, Sighetu Marmatiei, May 31-June 2

Solitary Pulmonary Nodule – calcification, number and growth evaluation

2006

The 6th Francophon Congress of Medical Imaging for Central and Eastern European Countries, Iasi, Romania, September 28-30

- *Role of MR-Angiography in assesment of aortic coarctation*
- *Solitary Pulmonary Nodule – calcification, number and growth evaluation*
- *Extramedullary Hematopoiesis – imaging and radiological findings*

2001

The 8th Annual Session Of Students Scientific Clubs, Brasov, May 19

- *Clinical and evolutive correlations between vesicoureteral reflux and reflux nephropaty*

2000

National Congress "Millenium 2000", Iasi, September 20-23

- *CT diagnose and TNM stadialisation of pulmonary tumors – a retrospective study*

The 4th National Congress For Students And Young Doctors, Constanta, April 6-8

- *Statistical correlation between mediastinal adenopathy and metastasis in tumoral proceses.*
- *Retrospective study of pleuro-pulmonary manifestations in Rheumatoid Artrithis*

1999

The 6th Annual Session Of Students Scientific Clubs, Brasov, May 14-15

- *Experimental study of cardiovascular modification during psychic stress - on a group of volunteers*

PUBLICATIONS

2006

Ghiea S., Dobromir C., Grasu M., Lupescu I.,Ghaddab M., Role of MR-Angiography in assesment of aortic coarctation - MEDICAL IMAGING JOURNAL of Romanian Society Of Medical Imaging vol. 9, nr. 3-4 / 2006 (ISSN 1454-2102)

HONOURS AND AWARDS

2009

First prize of National Conference of Musculoskeletal Imaging, Timisoara, November 6-8

2008

First prize of Romanian Cross Sectional Imaging Society (National Conference Of Cross - Sectional Imaging, Tg. Jiu, May 22-24)

2006

Special prize of Romanian Society of Radiology and Medical Imaging (The 6th Francophon Congress of Medical Imaging for Central and Eastern European Countries, Iasi, Romania, September 28-30)

2000

Second prize in Clinical Medicine (The 4th National Congress For Students And Young Doctors, Constanta, April 6-8)

ATTENDANCE CERTIFICATES

2009

- School Of MRI: Advanced Cardiac MR Imaging (May 14-16, Leuven, BE)
- School Of MRI: Advanced Neuro Imaging: Diffusion, Perfusion, Spectroscopy (June 25-27, Budapest, HU)

2008

- European School Of Radiology, Galene Curses - Chest/Cardiovascular, Budapest, Oct 31 - Nov 2
- European School Of Radiology, Galene Curses - Oncologic Imaging, Bucharest, October 17-19, 2008
- European Congress of Radiology, Vienna, 6-11 March

2006

- Diploma of International Course of Non-Invazive Thoracic Imaging (The 6th Francophon Congress of Medical Imaging for Central and Eastern European Countries, Iasi, Romania)

2005

- XIIIth French-Hungarian Radiology Symposium (Budapest, Hungary, April 13-14)
- The 5th Eastern European Francophon Congress of Medical Imaging (Bratislava, Slovakia, April 14-17)

MEMBERSHIPS

- Since 2005 member of "Romanian Society of Radiology and Medical Imaging"
- Since 2006 member of European Society Of Radiology (ESR)
- 2000 Founder member and vicepresident of "The Scientific Association of Medical Students"
- 1996 Founder member of "Students Phisiology Club"

ADDITIONAL SKILLS

- **Foreign languages:**
  - English: speaking (fluent), writing (very good), reading (very good)
  - French: speaking (medium), writing (medium), reading (good)

- **Computer skills:**
  - MS Office Suite, Corel Suite, Adobe Photoshop, FoxPro, Acces, MySql, Internet
